

**025: K-HELL RECORDS**

B.O. 1

SFX of ad jingle music - maybe "Gaiety in the Golden Age", "Blue Skies", "Do Do Do", "Loveable Clown Sit Com", "Twirly Tops" (YouTube audio)"

V/O 1

You danced the night away to "20 Disco Hits". You rolled down your window to "Racism & Trucks: The Best of Country Music."

V/O 2

And now, K-Hell Records is proud to present its new line of albums: Cannabis Collection - songs for the stoner who's gettin' into *treble*.

SFX of reggae, continuous, song changes every few lines at logical breaks.

V/O 1

In 1975, Peter Tosh, of The Wailers, released Legalize It, an album advocating for decriminalization of cannabis.

V/O 2

And now, with cannabis decriminalization becoming more and more normalized, Peter Tosh is back with his bold new album.

V/O 1

Legalize It 2: Human Hunting for Sport!

V/O 2

That's right, folks. Peter Tosh is bringing the same political energy that he brought to the legalization of cannabis to his other passion:

V/O 1

The opportunity to hunt - and kill - human beings for sport. *It's the most dangerous game!* And Peter Tosh wants to sing about it.

V/O 2

If you loved songs like "Why Must I Cry" and "Ketchy Shuby", you won't want to miss this album, featuring:

V/O 1

"I want to hunt humans for sport"

V/O 2

"Locked, loaded and hunting humans."

V/O 1

And "Watcha gonna do (when I hunt you for sport)."

V/O 2

That's right, folks, Peter Tosh is back with: Legalize It 2:

V/O 1

Hunting Humans for Sport.

SFX: music fade out.

JANET

Gee, Sam, I guess K-Hell doesn't realize that Peter Tosh died in 1987.

SAM

Huh, I guess we'll just have to pretend he didn't or else that sketch wouldn't work at all.

JANET

That would be a shame.

SFX of ad jingle music - maybe "Gaiety in the Golden Age", "Blue Skies", "Do Do Do", "Loveable Clown Sit Com", "Twirly Tops" (YouTube audio)"

V/O 1

K-Hell Records is proud to present another album from its brand new series: the Cannabis Collection.

V/O 2

We all know about psychedelic rock.

Brief SFX of psych rock song.

V/O 1

We know about psychedelic jazz.

Brief SFX of Bitches Brew.

V/O 2

Heck, there's even psychedelic hip-hop.

Brief SFX of "I want to get high."

V/O 1

Strap in for a new frontier in psychedelic recording.

V/O 2

K-Hell Records is pleased to present "Hot Bachs - Spelled B-A-C-H-s like the composer."

V/O 1

"Hot Bachs - Spelled B-A-C-H-s like the composer" is the world's first album of psychedelic classical!

V/O 2

Your face will be melted! Your brain will be Baroque-n! With this trippy collection from Johann S.!

V/O 1

We've taken some *boring old classical!*

Brief SFX of C Major Prelude from YouTube.

V/O 2  
Run it through a fuzz box!

Brief SFX of that.

V/O 1  
And overdubbed the sounds of major  
bong hits!

SFX of that.

V/O 2  
*Woah, dude! This Johann Sebastian  
Bach cat is way groovy!*

V/O 1  
*Mondo concerto!*

V/O 2  
That's "Hot Bachs - Spelled B-A-C-  
H-s like the composer." New from  
K-Hell Records.

SFX of ad jingle music - maybe "Gaiety in the Golden Age", "Blue Skies", "Do Do Do", "Loveable Clown Sit Com", "Twirly Tops" (YouTube audio)"

V/O 1

K-Hell Records is proud to present another album from its brand new series: the Cannabis Collection.

V/O 2

His solo début The Chronic was one of the most important hip-hop albums of all time.

V/O 1

And a stoner classic.

V/O 2

Dr. Dre is back with another slice of gritty realness.

V/O 1

At 54 years old, Dr. Dre presents: The Chronic Back Pain.

V/O 2

This important new album asks the question: what if west coast flow met sciatica?

V/O 1

With guest verses from Snoop Dogg on the importance of stretching, Warren G on making sure to stand up at least once an hour if you are working at a desk, and Peter Tosh on human hunting for sport.

V/O 2

Hey! A callback!

V/O 1

The Chronic Back Pain 2 is the only album featuring the 2-Pac hologram rapping about how the best part of being a hologram is you don't have back pain.

V/O 2

Anyway, this gag isn't really about cannabis *at all* so we're going to end it now.

V/O 1  
Bye bye! See you next scene!
