

019: PROMOTION LOTION

V/O
Has this ever happened to you?

CUT TO:

EMPLOYEE
Can I have a promotion?

BOSS
No.

CUT TO:

V/O
Never again, with Promotion
Lotion. That's right, friends,
with one squirt of *Promotion
Lotion*, you'll be climbing the
corporate ladder in no time.

CUT TO:

EMPLOYEE
Can I have a promotion?

BOSS
No.

EMPLOYEE
What about now?

SFX of fart-like squirting, like an empty ketchup bottle.

EMPLOYEE
(ad-lib things like)
A little under here... Just rub
some on my arms... One more squirt
should do us...

BOSS
Is that... *Promotion Lotion*?

EMPLOYEE
It is!

BOSS
You're absolutely covered in it.
You look like a 5-foot-something
pile of earwax.

EMPLOYEE
I do!

BOSS

I think I'm going to be sick.
(chokes down vomit)
The promotion's yours! Just - get
out of here.

EMPLOYEE

Thanks, Promotion Lotion!

CUT TO:

V/O

That's right, it's Promotion
Lotion. The only job-hunting
lotion discovered in the
laboratories of the Third Reich.
Help your career with just one
smear! Now in coconut!
