

018: TERMINATOR

V/O

Coming soon. From the minds that brought you Work It. With the help of an internet soundboard.

TERMINATOR

Hasta la vista, baby.

SFX of dramatic music. Maybe Terminator theme (briefly!)

V/O

He was sent here with a mission.

CUT TO:

SFX of office sounds.

BOSS

So head office sent you to help me clean things up here, eh?

TERMINATOR

Affirmative.

BOSS

My team just isn't performing. Are you prepared to make some tough decisions?

TERMINATOR

Of course. I'm a terminator.

BOSS

Excellent.

TERMINATOR

Excellent.

CUT TO:

V/O

His targets are many.

EMPLOYEE TWO

(casual)

You going to do any work today, Hal? Or just play solitaire all day?

EMPLOYEE ONE

(casual)

You're one to talk, Courtney.

(MORE)

EMPLOYEE ONE (CONT'D)
You're, like, glued to
your Instagram.

BOSS
(over intercom? or calling
at them?)
Hal, Courtney - my office, please.

EMPLOYEE ONE
Can't you see we're busy?

TERMINATOR
I insist.

EMPLOYEE TWO
Ugh, fine.

CUT TO:

V/O
Some jobs require the cold heart
of a machine.

BOSS
Take a seat.

SFX of chairs?

EMPLOYEE ONE
Who's this clown?

TERMINATOR
I'm a Terminator.

EMPLOYEE TWO
Oh, yeah? And what do you do, Mr.
Terminator?

TERMINATOR
Fire at will.

BOSS
Courtney, Hal: We've had to make
some difficult decisions.

TERMINATOR
You are terminated.

EMPLOYEE ONE
Whatever, this place would fall
apart without me.

BOSS

I'm afraid it's true, Hal. Please collect your things.

TERMINATOR

Get out - now - ass*le.

EMPLOYEE ONE

You can't fire me, I quit!

TERMINATOR

You cannot self-terminate.

EMPLOYEE ONE

I'm going to get a lawyer and file a complaint with HR; you'll be sorry!

TERMINATOR

Chill out, d*ckwad.

EMPLOYEE TWO

(crying)

Please, no. I'll do my work.

TERMINATOR

Why do you cry?

EMPLOYEE TWO

(crying)

I don't have any savings, I spend all my money on cocktails and tanning and celebrity magazines.

TERMINATOR

I know now why you cry.

EMPLOYEE TWO

Have a heart! I beg you.

TERMINATOR

Listen to me very carefully.

EMPLOYEE TWO

(sniffling)

Okay. I'm listening.

TERMINATOR

Talk to the hand!

EMPLOYEE TWO

Waaah!!

BOSS
Geez, Terminator. Bit harsh.

TERMINATOR
Excellent.

CUT TO:

V/O
What will he do after terminating
all his targets?

BOSS
Well, Terminator. We cleared out
some dead weight. Great work!

TERMINATOR
I need a vacation.

BOSS
We could grab a drink at that
wings place where the frat boys
hang out.

TERMINATOR
I swear I will not kill anyone.

BOSS
Eh, go ahead. They're frat boys.

TERMINATOR
Excellent.

CUT TO:

V/O
Coming soon. Say, a week, week and
a half. Or tell you what, when do
you want to see it? Here, I'll
send out a Doodle link.

Fade out.
