

**EP. 015: UNION DUDES**

SAM  
Happy pay day, Janet!

JANET  
Happy pay day, Sam!

SAM  
Wanna party? We could check out  
the new Lars von Trier musical.

JANET  
Dirty Dancer in the Dark? I'm in.  
Let me check my paystub.

SAM  
Good idea.

SFX of envelopes ripping.

JANET  
Hang on.

SAM  
What are all these deductions?

JANET  
They all tagged as "union dues",  
but I don't know about some of  
these.

SAM  
Who do we speak to about this?

SFX of 'appearance' sound - *poof!* or door knock, doesn't  
really matter.

JANET  
Who are you guys?

GRODY  
We're the Union Dudes!

BRODY  
The dudes that do the dues, dude!

GRODY  
That's Brody.

BRODY  
And that's Grody.

SAM

Fantastic, so Union Dudes, this Health Insurance deduction seems awfully high.

BRODY

No worries, my dude. Health benefits have recently expanded to cover the following ailments: surfer's itch.

GRODY

Skater's elbow.

BRODY

Rollerblade rash.

GRODY

Naturally, it's preemo pricey to offer such bodacious, capacious coverage.

JANET

Fine, that all makes sense, but what about these initiation fees?

BRODY

Ah, but perhaps you haven't taken advantage of your benefits upon becoming a member.

GRODY

For your one-time-fee, you are entitled to one tattoo (tribal), one pair of shorts (Hawaiian board), and one shell necklace (puka).

BRODY

It's a gnarly mish-mash of cultural appropriation, my dudette.

SAM

But what about all these lobbying costs?

GRODY

Did you know it is illegal to teach a gecko to surf?

BRODY

Illegal to do bong rips on Twitch?

GRODY  
Illegal to shotgun a Red Bull  
while shooting shotguns at bulls  
with your bud?

BRODY  
It's time for bold ideas in  
politics, my dude.

GRODY  
A green new deal.

BRODY  
By which, we, of course mean...

JANET  
Yes, it's a weed joke, fine - but  
Union Dudes, there's one problem.  
We don't make any money off this  
show.

SAM  
Yeah, there must be some other way  
we can help the union.

BRODY  
Woah, grimey!

GRODY  
Way to harsh my mellow.

BRODY  
Let me think...  
(beat)  
Hey, Grody, we have that luau  
tonight. That's a lot of members  
to feed...

GRODY  
We totally do, Brody. Hey, Sam and  
Janet, can you put these apples in  
your mouth?

JANET  
(mouth full)  
Happy to!

SAM  
(mouth full)  
Yum!

BRODY  
Y'all can work it off at the luau.  
(MORE)

BRODY (CONT'D)  
Now come on up to the fire-pit,  
there's something we want to, uh,  
show you.

GRODY  
It's called a, uh, rotating tan.

JANET  
(mouth full)  
Oh boy!

SAM  
(mouth full)  
Fun!

Fading:

GRODY  
Good thing Sam's been putting on  
weight, eh Brody?

BRODY  
Rock on, Pringles corporation!
